ACCOUNT IN SENDGRID

The screenshot shows a web browser window with the SendGrid dashboard. The browser's address bar displays the URL `app.sendgrid.com/guide?from=profile&integrate=true`. The dashboard header includes a user profile icon and the name 'sindhu saktivel'. A sidebar on the left contains navigation links: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, and Settings. The main content area features a 'Welcome, sindhu!' message followed by instructions to follow the steps outlined below. A prominent blue banner reads 'Send your first emails with Twilio SendGrid'. Below this, a section titled 'Send your first email' provides two options: 'Integrate using our Web API or SMTP Relay' and 'Build and send using Marketing Campaigns'. The Web API option is described as 'Easily send API-driven email from your application.' The Marketing Campaigns option is described as 'Build engaging email marketing campaigns that deliver results.' The Windows taskbar at the bottom shows the system clock as 10:20 on 09-11-2022, along with weather information (29°C Cloudy) and various application icons.

Send your first emails with Twilio SendGrid

Send your first email

Choose one of these common ways to send email. You can always explore the other options later.

Integrate using our Web API or SMTP Relay

Easily send API-driven email from your application.

Build and send using Marketing Campaigns

Build engaging email marketing campaigns that deliver results.
